PORT LULUATA, SHINA DARK
EVEN THOUGH IT'S BEEN THREE MONTHS SINCE WE MET...
WHERE'S THAT SHIP FROM?
I HEARD IT'S AN ESTGLORIAN SHIP
A MILITARY SHIP...
LIKE US, VANSABLE,
THEY BROUGHT A PRINCESS TO DEVELOP PEACEFUL RELATIONSHIPS WITH SATAN
OH? AND WHO IS THE PRINCESS?
I HEAR THAT IT IS THE 13TH IN LINE TO THE THRONE CHRISTINA REY HOLDEN

ALTHOUGH THEY CALL HER A PRINCESS,
UNLIKE PRINCESS GALETT, HALF OF HER IS OF PEASANT BLOOD

THOUGH FROM THAT DAY...

OUR TIME TOGETHER...
HAS NOT BEEN SHORT.
I JUST CAN'T SEEM TO GET CLOSE TO HER...
.....
THIS GIRL..!
.....
BUT, I GUESS IT'S INEVITABLE.

WITHIN ONE GENERATION, THE KINGDOM OF VANSABLE CONQUERED THE EASTERN LAND OF GRINGEA, MY HOMELAND.
AND THE NEXT PLACE THAT MY FATHER, EMPEROR GALEON, SEEKS TO CONQUER IS...
THE WESTERN LAND OF AJUARDO.
ESTGLORIA, WHICH HAS THE LARGEST AND STRONGEST MILITARY,
WOULD BE THE FINAL STEP IN CONQUERING AJUARDO.
AND THIS GIRL IS...
CHRISTINA AND I ARE FROM COUNTRIES THAT COULD GO INTO BATTLE IN ANY MOMENT.
WE ARE FROM ENEMY COUNTRIES... THERE'S NO WAY WE COULD BE FRIENDS!..
UM... WHAT ...?

I WAS JUST THINKING... HOW BORING THIS IS.

THAT'S TRUE

YOU THINK SO TOO?

THIS IS SATAN'S ISLAND,
WHAT THE HELL AM I SUPPOSED TO DO HERE?

The month names that the Kingdom of Estgloria uses are the same as those used in the French Republican Calendar. For the complete list http //en wikipedia org/wiki/French_Republican_Calendar

Also, some people have wondered why we translate 魔王 (literally "Demon King") into "Satan" rather than just romanizing it into "Maou." "Maou" is meaningless in English and while we could inform the readers what it literally means, there is a certain amount of connotation lost in the translation. We chose "Satan," since English is a Western language and should be pegged to Western cultural terms. Moreover, as it is used in the manga, "Satan" fits most of the scenes rather well, since it is not as ominous as alternatives like "Lucifer", "The Devil" or "Demon Lord" nor as silly sounding as "Demon King." "Demon Lord" is used when the context requires something more serious.
